

Volunteering with the Gleaners

Group Information

Thank you for your interest in volunteering with the Ontario Christian Gleaners.

*** We work with knives. This placement is not suitable for people with issues of violence.**

Please review the items below with your group **before** you come to work at the Gleaners.

Leaders:

- 1/ Group leaders are responsible for submitting a list of all group members along with contact and medical information in case of emergency.
- 2/ If there are any members of the group with special needs, please notify the manager prior to your scheduled work day. gleanersmanager@sympatico.ca

Leaders and Group:

- 1/ Closed-toe shoes must be worn.
- 2/ Please bring some snacks to share at break time.
- 3/ At the end of your morning, please assist with clean-up. Washing pails, tipping compost and cleaning floors are especially appreciated.
- 4/ Please use caution as we have various pieces of equipment and wet floors can be slippery.

What to Expect:

- Tour: At some point, your group will be toured through the building with an opportunity to ask questions about the operation.
- Name tags: We all work on a first name basis. Please ensure that everyone fills out a nametag upon arrival.
- Coffee Break: Occasionally we hear from a missions group who has used our soup in a relief or development effort.
- Regular volunteers: Endeavour to help host your group so your overall experience will be meaningful.

Shelley Stone
