The Gleaners Building

And my God will supply every need of yours according to his riches in glory in Christ Jesus. Philippians 4:19

God does indeed continue to supply all our needs. Broccoli, cauliflower and potatoes are currently on the menu for our volunteers to trim, dice and dry. Other volunteers assemble the dried vegetables into our nutritious vegetable mixes that are then packed into drums, pails and boxes ready for shipping.

To date in 2021, we have prepared 24 shipments of food that were sent to 15 different countries. Our recent shipments to Honduras, Guatemala and Zambia have resulted in a total of 162,279kg of food that has left our building this year. We are currently packing food for Cuba, the Philippines and Haiti. These record amounts of food being shipped happened only by the hand of God.

If you have not had the opportunity to view our latest Fundraising video, please check it out. <https://youtu.be/z8sQsQOP1dk> Listening to the stories shared by mission groups from Haiti, Guatemala, Burkina Faso and the Philippines reminds us that God is supplying the needs of these people and we are thankful to be used by God for this.

We have increased our available volunteer positions and encourage you to signup with our signup system. If you are interested in joining us on a weekday morning, please sign up here

Ontario Christian Gleaners Food Distribution - 2021 to Date - 162,279 kg

Please continue to pray for the work of the Gleaners – for fresh food to continue to stock our cooler, for our volunteers as they serve here on site and the mission groups as they are serving overseas.

Standing in awe of His mercies,
