## PARTNER INFORMATION

It is important for the Ontario Christian Gleaners to know who is implementing the project. This section gives us some information on your organization and any experience with food and nutrition projects. It also helps us to understand your basic philosophy and approach to food security and nutrition.

You may use this form to provide the information or you may submit your own.

We would also like to receive a copy of financial statements of the previous fiscal year.

### Brief history of your organization: (can paste info from your website)

### Mission Statement:

### Mandate:

### Project Details:

- Name of project
- Objectives
- Background
- Who is implementing this project
- Duration of project
